The St. Davids Pastoral Call-Committee is working to call a new pastor to our Church. As part of this process, the committee is required to develop a Ministry Site Profile. This document will be posted to the "Current Openings" on the ELCA website and will give potential pastors a picture of our congregation, community, and region.

We are seeking the help of our members to ensure our Ministry Site Profile is complete, encompassing, current, and attractive to potential candidates. Please take some time to complete the survey you received in the mail, or you can go to the Facebook page and complete the form online. This helps us get a picture of the needs of our congregation. Please complete the survey by TODAY, February 11. Thank you for your help in the call process.
