FROM YOUR

The last two years have limited gatherings and separated us from one another. But it also gave us the opportunity to realize the importance of fellowship with the people of God.

Your church council realizes this and is searching for ways to reconnect our St Davids community. The first idea was worshipping together as one body. We enjoyed worship in the midst of God's amazing creation last summer. At 9:30 worship under the trees in the grove, the Spirit was with us. Worship was inspiring. Fellowship was joyful.

We are going to repeat that celebration. **Please join us for worship and fellowship on Sunday June 19th at 9:30 for a combined service in the grove.** The only requirement is a lawn chair. If you don't have one or it's difficult to carry, please let Jessica / church office know so we can provide a chair for you. If we failed to think of any barrier that would keep anyone from joining us, please let Jessica (or any Council member or the Pastor) know that also.

During announcements at both services last Sunday, Council asked for the thoughts of the congregation about summer worship. Please continue to do so. We sincerely want to have conversations with everyone moving forward about how we can reconnect and grow. We have had setbacks but so have many. Now it's time to move forward and gather our congregation together, welcome new members and families, strengthen our community.

We are God's servant people with Christ-like hearts empowered by the Holy Spirit through Word and Sacrament. We proclaim God's grace, love, justice, and forgiveness to all people through worship, learning, witness, service, and support.
