The Learning Team is very sad to announce there will be **no Bible School at St. David's this year.** There is the option to attend Day Camp at Sequanota for our children....But it will not be the same as Bible School at St. David's. ([www.sequanota.com](http://www.sequanota.com))

We are also in need of more Sunday School teachers. There are only 8 of us, and we serve every Sunday. We have no substitutes.

The Learning team is making a plea for help. We would like to increase our numbers as teachers and also form a committee for Bible School for the summer of 2023. There will be sign-ups in the Narthex for those who would consider helping till the end of May.

There is no age limit for a Sunday School Teacher or a Bible School Committee member and no prior schooling, trust us you will learn as you go ... but you must have a love of children and a love of Christ.

We must minister to our children or there is no future in this church and no future in this world. They need to be a top priority in this church, and we need to serve as role models for them.

We thank you for considering our team's request. And we look forward to greeting new team members soon.

Sincerely,  
St. David's Learning Team
