Thoughts and musings.....

Fall is approaching; in late August, early September, we can see the change in temperature and leaves even start to change color. School is restarting for our children and all the fall sports activities are in full swing. Life at St. David's starts anew as well in September with Sunday School, choir, handbells, the Overtime Ministry to name a few back in action.. Instead of slowing down, the pace of life picks up. I jokingly said once that in the life of a pastor, the train pulls out on Labor Day and doesn't stop until get to its final stop at Pentecost Sunday.

One passage has reminded me of the importance of slowing down and enjoying the blessings God has bestowed upon us; especially in this change of seasons from summer to fall. From Psalm 46:10: ***"Be Still, and know that I am God."***

As many of you know, I was involved in a motorcycle accident in August,2019. I was very lucky to ***"walk away"*** from the accident. At approximately 8:00am on August 8th, I came into full contact with Isaac Newton's first law of physics: ***"An object either remains at rest or continues to move at a constant velocity, unless acted upon by a force"*** when I laid my motorcycle down to avoid hitting a car. For the first time in a long time, I was forced to be at rest; I am forced to be still. God hit the ***"Pause"*** button. No, God hit the ***"STOP"*** button to a lot of things in my life. This is something I found very hard to comprehend and understand. When I got out of the trauma ICU and I was in a "regular" room, I wanted to push the envelope of my care by insisting that I take a walk less than two hours of arriving on the floor. ***"Really??? Mark, be still and know that I am God."*** I could rationalize that by saying, ***"Well, I only walked about forty feet round trip. I didn't want to be stuck sitting in a chair or in bed all day."***

Thinking back to the time I spent at Lancaster General Hospital and at home recuperating reminded me about the frailty of life and on the sanctity of life. The challenge is we live in a world that is based upon motion. The earth makes a complete circle of itself every 24 hours, it circles the sun every 365 ¼ days. If the earth stopped spinning on its axis and stopped its orbit of the sun, we would not exist. There would be no day, no night, no seasons, no rain, no snow. The world has a message that one must always be busy doing something. Think about the technology we use; what is the frequency of use of our smart phones, our laptops, and other technology? We are sold on the idea that we must be in constant motion.

God knows the importance of being still; Genesis 2:2: ***"And on the seventh day, God finished the work that God had done, and God rested on the seventh day from all the work that God had done."*** God took time to be still. If God took time to be still, we can learn to take time to be still. God even gave us a commandment to be still: ***"Remember the Sabbath Day and keep it holy"*** (Exodus 20: 8). Back in August, 2019, I had to be told that healing is all about being still; letting your body redirect its energy to where the hurt and pain is instead of dividing between what I want to do and what the body needs to do.

Being still is work; it is hard work and it is often necessary work. By being still, one can encounter God in ways not possible when one is constantly in motion. By being still, one can see God is in control when nothing else is unless God allows it. Fall is a beautiful time of year, the change of color of the leaves, the snap of a brisk cool morning, and the bounty of the harvest is brought in from farm and field. As the season of fall begins, let us take time out of our often busy schedules to ***be still and know God*** as manifested in the beauty and color of the change of seasons.

Gratefully,
Pastor Mark W. Fischer

I am thrilled to invite both our returning choir members and new congregation members to join our vibrant adult choir and handbell

choir! Whether you've been part of our musical family before or are looking to start a new musical journey, we welcome you with open arms.

Choir practice will be held beginning September 11, from 6 PM to 7:30 PM each week. We'll spend the first half hour of each session diving into music for the Christmas season, so get ready to embrace the joy and spirit of the holidays through song. Handbell rehearsals will also begin September 11 and go from 7:30-8:30 PM.

Additionally, if you play an instrument and are interested in sharing your talent during our church services, please reach out to Brett. We're always excited to include a variety of musical contributions in our worship.

I look forward to reconnecting with familiar faces and meeting new ones as we come together to create beautiful music. Your participation and enthusiasm are what make our choir and handbell ensemble truly special.

In celebration of the Feast of Saint Francis of Assisi, we warmly invite you to a special outdoor worship service on October 6th at 2 pm. This joyful occasion will include a Blessing of the Animals, where we honor the beloved pets that bring so much joy to our lives.

Please bring your furry, feathered, or scaly friends to join us for this meaningful event. We'll gather outside for a short service, followed by a blessing of the pets.

We look forward to celebrating with you and your pets!

We are excited to announce our Trunk or Treat event, happening on Saturday, October 26th from 1 pm to 3 pm in the church parking lot! This fun-filled afternoon is a wonderful opportunity for our community to come together and celebrate.

We are seeking families and individuals who would like to participate by decorating their trunks and handing out candy to the children. If you can't attend but still want to help, we would greatly appreciate candy donations or monetary contributions to purchase candy.

A sign-up sheet is available in the narthex. If you have any questions, please contact Brett.

Thank you for your support, and we look forward to a spooktacular event!

Pastor Fischer will be hosting an important informational session on funeral planning on Sunday, October 13th, at 9:30 am, between services. This session will provide valuable insights and guidance on preparing for this important aspect of life.

Bill Harris, of Harris Funeral Home, will also be joining us to offer additional expertise and answer any questions you may have.

We encourage you to attend this informative event to gain a better understanding of funeral planning and to help ensure your wishes are known and respected.

It's that time of the year again...school will begin on August 22nd! This is just a reminder that the school bus will be coming through St. David's. So please stop when you see the bus and drive slow! The traffic pattern for parents is entering through the top parking lot, dropping off/picking up at the Learning Place main doors, and exiting through bottom parking lot. Thanks!

God's Work Our Hands would like your input regarding members and/or community residents who may need help with household chores such as cleaning, painting, outside clean up (leaf raking), etc. If you are aware of anyone in need, please contact Bill Andrews at pinkand@atlanticbb.net or 814-341-2742 with information. Thank you!

Each year, St. David's Lutheran Church opens the Fellowship Hall to host around 200 students following home Conemaugh Township football games on Friday nights at Overtime. The students, in grades 7-12, are fed chocolate chip cookies and pizza, play cornhole and other games, and know that they have a safe location to socialize. However, this ministry needs volunteers or Overtime may not be able to continue. We are looking for adults (18 and over) in the Conemaugh Township area who can give a few hours of their time on Friday nights during football season... we need you!

Volunteers are asked to show up at St. David's Fellowship Hall (lower level) between 8 and 8:30 (Overtime begins at 9 p.m. and ends at 11 p.m.). Help is needed in the kitchen, at our registration tables, setting up and cleaning up, and in general, mostly being an observant chaperone. Volunteers need to have up-to-date clearances filed with our church office and are welcomed for some or all of the dates below:

August 23 and 30, September 20, and October 4 and 25

If you have any questions, please contact Rachel Kimmel (rachel.b.thomas@gmail.com or 814.248.1670). To submit your clearances, please contact Jessica, St. David's Church Secretary, at stdavids_sec@atlanticbb.net.

Attention all parents of students age 3 (Pre-school) to 12th grade: The first day of Sunday School is right around the corner (Sept 15th) and it is time to register your child at St. David's for Sunday School. Please use the link below or QR code to find the registration Google form and fill it out on-line before September 8th. New this year, we will be purchasing red tees for our registered students grade pre-K to 6th to wear to our "Marty Party", Reformation Sunday, on October 27th.

Students entering their first year of confirmation will be presented their Learning Bibles on Sunday, September 8th and all Sunday School teachers will be presented and blessed on September 8th as well.

The Comfy Room Classroom will be open again for parents of any age the last Sunday of each month and the Adult Sunday School classroom is always looking for new members. There is a place for everyone to learn and grow in their faith at St. David's and we are looking forward to a wonderful year!

Join us the last Sunday of every month in the comfy room at 9:15 am!
